

About the Operational Plan

The Operational Plan 20023-2024 is a key plan for Woorabinda Aboriginal Shire Council. The Plan highlights commitments set out in the Corporate Plan 2020-2025 into annual measurable activities and actions that Council will commence within the financial year. The activities progress achievement of our goals and objectives as well as projects and key initiatives.

The Local government Act 2009 along with the Local Government Regulation 2012 requires Council to adopt an annual operational plan. In accordance with the Legislation, an annual operational plan shall:

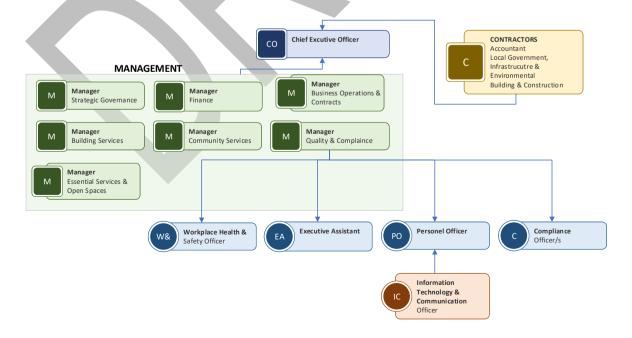

- Be consistent with Council's annual budget
- State how Council will progress implementation of the Corporate Plan
- Manage operational risks

Council must undertake its responsibilities in a way consistent with its annual operational plan and may amend the plan at any time by resolution. Council shall monitor progress against the Plan and present updates to Council bi-annually.

Figure 1 – Reporting and Planning Structure

Organisational Structure

A balanced budget to further solidify operations through good management of Council's workforce and assets.

Stablisation of revenue streams through operational efficiency and improved grant management. A focus on improving Infrastructure to facilities, water and roads for further investment opportunities.

Mayor Terence Munns Message

Woorabinda Aboriginal Shire Council Budget 2024/25 signifies the first of many major decisions as a new Council. The 2024/25 Budget carries forward the Capital Program commitments from the previous year aligned to the Corporate Plan and a focus on infrastructure projects such as the cemetery and pool upgrades.

For further information go to Council website:www.woorabinda.qld.gov.au
